

# design packages

## BASIC PACKAGE

\$ 350

for the client who already has a design concept and simply needs us to bring it to life.

you'll get

client provides concept

up to 2 rounds of revisions

multiple file formats

color code & font sheet

## STANDARD PACKAGE

\$ 450

for the client who has a basic idea of what they want to see, but needs us to refine those ideas into their dream logo.

you'll get

we'll provide 2 concepts

up to 4 rounds of revisions

multiple file formats

color code & font sheet

## PREMIUM PACKAGE

\$ 650

for the client wanting us to take creative freedom and come back with multiple ideas to choose from.

you'll get

we'll provide 4 concepts

up to 6 rounds of revisions

multiple file formats

color code & font sheet

With each package, you'll receive multiple file formats ready for web and print, including eps, png, and jpg. If you want specific additional file types, let us know. If an extra round of revisions is required, the additional cost will depend on the amount of work the revision will entail.

Before we begin, we'll have you sign an agreement and send half of your payment. When you give final approval on the design, we'll send all your files to you after receiving the second half of the payment.

These prices are based around logo design. Other types of designs may require adjustments in price.
